Rothco EMT Bag

Rothco's EMT Bag is perfect for emergency personnel to keep their medical equipment and gear well organized. The ems rescue bag features 8 pockets and pouches including 1 large main compartment (12" x 8" x 11") with removable compartment organizer, 2 large side zipper compartments, 2 zippered side pockets, 1 front zippered compartment, 2 front pouches with hook and loop closure and D-rings. The emergency supply bag had been designed with a U-shaped zipper flap opening, which allows for easy access to equipment and supplies. For ease of carrying the bag is equipped with an adjustable and removable shoulder strap and top carry handle. In addition, Rothco's EMT Shoulder Bag features a rear 6-loop bandolier for attaching additional gear. *Accessories pictured are not included.
